Dear Sir/Madam

Application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area.

Portreath Parish Council give notice that we wish to make an application under Part 2 (5) (1) of The Neighbourhood Planning (General) Regulations 2012/2015 for the designation of a Neighbourhood Area for the Neighbourhood Development Plan.

This area is considered appropriate to be designated as a neighbourhood area for the following reasons:

- The Parish/Town Council resolved to develop a plan for the neighbourhood area at a council meeting on 7th August 2017.
- Members of the public were invited to our meeting on Monday the 7th August to have their say on the Neighbourhood development plan. Initial Public Consultation took place during September and October and a number of members of the parish stepped forward to offer their support with this project.
- We consider that the whole of the parish of Portreath to be the most appropriate area to be covered by the plan.

Portreath Parish Council is the relevant body for the purposes of section 61G of the 1990 Town and Country Planning Act being the parish council for the entire area applied for.

Yours Sincerely

Lucy Jose
